

# Hold Funeral Services for Student Killed in Automobile Collision

---

Gabriel Gabrielson, 21-year old Lancaster boy attending the University of California at Davis, was instantly killed last Friday in a head on collision between two automobiles near Davis. Gabrielson was the only one killed in the accident when eleven others were injured, some of them seriously. So great was the force of the collision that wreckage was strewn over the highway for a distance of fifty yards.

Gabrielson graduated from the Antelope Valley Joint Union High School in 1926 following an outstanding career as a football and basketball man. He was Past Master Counsellor of the Lancaster De Molay.

## Funeral Tuesday Afternoon

Funeral services, under the auspices of the Lancaster DeMolay, were held at 2:15 Tuesday afternoon at the Lancaster Community Church. The church was crowded with friends and relatives at the service who came to pay their last tribute.

At Davis Gabrielson was a non-degree student in the college of Agriculture. He was a freshman and a member of Alpha Gamma Rho fraternity. Two fraternity brothers, Carol Cavanaugh and Lester Miller, accompanied the body to Gabrielson's home in Lancaster.

He is survived by his parents who live near Lancaster, and two sisters, Girlie Gabrielson and Charlibel Nelson.
