
Geo. Webber Rites

Community Church

Lancaster, July 28

Final rites for George Webber, one of the oldest residents of Antelope Valley, were held last Saturday at the Community church at 2 p. m., Rev. R. W. Plannette officiating.

Short Masonic services were held under the charge of Louis Tudor, with about 60 Masons in attendance.

There were also in attendance about forty of the old timers of the valley, Mr. Webber having been for years the head of the Antelope Valley Old-Timers association.

Interment was had at the Lancaster cemetery.

The church was filled with those who had been the friends and neighbors for many years, and the floral offerings were profuse and beautiful, attesting the esteem of his friends.
