---

Services There Tuesday Noon—  
Widow of R. B. Burns

---

The body of Mrs. Ollie Burns was interred in the Lancaster Cemetery at noon Tuesday, following funeral services held at 9:00 that morning at the Chapel of Reynolds and Eberle Mortuary in Pasadena.

Mrs. Burns died Saturday, May 7, in Los Angeles, at the age of 73 years. She had been residing lately in Monrovia.

The deceased was the widow of Russell B. Burns, and prior to his death a year or so ago, they had made their home for many years in the Elizabeth Lake district, living in an old adobe ranch house just west of Talamantes' place, at the junction of San Francisquito and Elizabeth Lake Canyon roads.

The two children of Mr. and Mrs. Burns lost their lives in the San Francisquito Dam disaster several years ago, and both are buried at Lancaster.

The only surviving relatives are nieces and nephews.
